Hi Brad,

They are – haven't routed them yet though. I got sucked into intern interviews this week. I'll see if I can get them routed today before I leave...but working on Clean Water Rule rollout stuff.

Thanks for the reminder, though.

Ben,

Just checking back. Along with your many duties, are these comments ready to route for concurrence yet?

Thanks,

Bradley Vann - Remedial Project Manager

Subject: West Lake CAG Tech Phase 1D Questions/Concerns & Next Meeting

Brad et al,

Please find attached the CAG Tech Committee questions and concerns related to the Phase 1D testing that started Monday.

Based on the unanimous availability of those who responded to the Doodle Poll, the next CAG Tech Meeting is scheduled for **Tuesday, May 26 at 5:30pm**. The meeting location is the same as last time: **3221 McKelvey Rd. Bridgeton, MO**.

Best regards,
Ed
